3813

(No. 48 Jun 2013)

Where a Finance Section has been established, it is the direct and personal responsibility of the Finance Section Chief to ensure that the duties assigned to the Finance Section per the California FIREScope, Field Operations Guide (FOG) and per CAL FIRE agency-specific policy are carried out successfully. The IC continues to be responsible for ensuring that the overall fiscal goals are met.

Depending on the size and type of incident, the Finance Section Chief may establish support units within the Finance Section to carry out specific duties.
